ENVIRONMENTAL CONDITIONS

The protection of the beach ecosystem is a priority of *Volusia County Beach Patrol*. All special events must be managed in a manner that preserves the natural resources of Volusia County Beaches. As a reminder, all events must comply with all state, federal and County environmental regulations.

All events should take place fully seaward of the Conservation Zone (CZ) when possible. When encroachment into the CZ necessary please:

- *Fully protect all vegetation (This may require placement of fencing to prevent pedestrian traffic across dunes and vegetation.)*
- *Protect the profile of the dune. The dune must not be altered either by direct means such a excavation, or by heavy pedestrian traffic.*
- *Use of disposable plastic or Styrofoam items is prohibited.*
- *Use of toxic chemicals or materials is prohibited.*
- *Removal of beach sand from the beach is prohibited.*
- *Under NO circumstances will any activity be permitted within 30 Feet of a marked Sea Turtle nest.*
- *Under NO circumstances will any driving or parking be permitted in the Conservation Zone.*

Vehicles will abide by all established public driving rules including the opening and closing of the beach.

The permit holder agrees to carry a \$1,000,000 comprehensive General Liability Insurance Certificate, naming the County of Volusia as the certificate holder.

County of Volusia

Beach Patrol

515 South Atlantic Ave.

Daytona Beach, FL 32118

A processing fee of \$50.00 will be charged for the film permit. Personnel fees (if applicable) will be billed after the fact. Requests for personnel must be submitted in writing 2 weeks before the film event.
